Road Hazard
Tire Warranty Policy

Elite Auto & Tire stands behind the quality of our tires and offers a comprehensive warranty to provide clients with a peace of mind on the road. This warranty applies to tires purchased with Road Hazard coverage.

POLICY:

Road Hazard coverage is for 3 years and to 3/32nds of even tire wear, include free flat repairs when repairable, free tire replacement if unrepairable, free rotations every 5k, and free rotate balance every 15k.

Commercial/fleet tires are not eligible for road hazard protection, however are still eligible to receive tires at cost and free rotations for tires purchased at Elite.

TIRE WARRANTY EXCLUSIONS:

Not properly maintaining tires. Rotates must be done every 5k and rotate balance every 15k. Does not include roadside assistance and towing. Annual Alignment check required with adjustments made as needed. Acoustic tires will not be repaired.

Tire Replacement excludes vandalism, negligence and uneven tire wear.
